

KENNETH  
NWOSU, MD

SPINE SURGEON

## Meet Dr. Nwosu.

As a spine surgeon specializing in neck and lower back pain, Kenneth Nwosu, MD, is skilled in the cutting-edge techniques to address chronic pain and mobility issues caused by underlying spinal disease or injury.

Dr. Nwosu believes in the many benefits that minimally invasive surgical techniques can offer his patients, including minimal hospitalization and expedient pain relief and return to an active lifestyle. He offers a variety of surgical options at his multidisciplinary spine practices in Bellevue, Burien, and Puyallup, Washington.

Dr. Nwosu's personal philosophy focuses on working closely with each patient towards developing a tailored treatment plan to ensure the best outcome. His focus on utilizing cutting-edge minimally invasive techniques is paramount in helping patients feel better faster, allowing return to a physically active lifestyle as soon as possible.
